(1) P. uc's I and II

The only officer who has been granted a motor-car allowance in the C&M. Stn. of Bangalore is the Commissioner of Police.

Mr. H. Dawson, the present Commissioner of Police, gets Rs. 100 per mensem as motor-car allowance. His term of appointment in the station expires in September 1928.

The question of appointing his successor is in the Confidential Branch and it has been ascertained that the Madras Govt. have not yet been addressed in the matter.

The Collector and District Magistrate may be addressed in the matter.

(2) P. u. c. III.

according to the circumstances of each case, e.g., the status of the officer, the extent and nature of the travelling to be done, and the character of the locality in which journeys by car are ordinarily performed. They have also decided that while the present incumbents of posts to which motor car allowances are attached should be allowed to draw the existing allowances, these allowances should be re-considered when their successors are appointed.

2. It is requested that cases of motor car allowances which are at present attached to posts may accordingly be reported to the Government of India for reconsideration in the light of the criteria now approved when their present incumbents vacate them.

Ref:- Your endorsement No. N. Ref.2821-A-28 regarding Motor Car Allowance.

The allowance here was originally granted when Deputy Commissioners of Police, Madras City were granted the allowance. I find that I use about 16 gallons of petrol a month on Government service, costing Rs. 20/-; this leaves Rs.80/- a month for oil tyres, running repairs and annual complete overhaul of the car. Personally I have taught one of my orderlies to drive, but, if an orderly were not available a pukka chauffeur would have to be entertained at a cost of not less than Rs. 40/- per month. My car runs 28 miles to the gallon, and I have often found it quite easy to use two gallons of petrol in Civil and Military Station in one day on Government Service alone. It is my considered opinion that Rs.1200/- per annum just about covers the cost of running, repairing and overhauling my car, with an unpaid driver; were my driver a paid professional I should lose heavily.

MOTOR CAR ALLOWANCE.

Sir,

+SN. 1 With reference to your + Memorandum No. 183-E/28, dated the 18th May, 1928, I have the honour to state that the only officer who has been granted a motor car allowance in the Civil and Military Station of Bangalore is the Commissioner of Police. The Government of India have sanctioned in his case the grant of a conveyance allowance of Rs.100/- or Rs.75/- a month, according as he maintains a four-seated or two seated motor car.

i.e. SN. 6/a Vide Memorandum No. 1862-Est.A., dated the 30th October, 1917, from the Government of India in the Foreign & Political Department.

Mr. Dawson, the present Commissioner of Police in the Station, has been getting the higher of these two rates, i.e., Rs.100/- a month and I enclose a copy of his letter No.681-A-28, dated the 18th June, 1928, in regard to his allowance. His term of appointment in the Station expires on the 21st September, 1928. Having regard to the status of the Commissioner of Police, and the extent and nature of the travelling to be done in the Civil and Military Station, I concur with him in the view that an allowance of Rs.1,200/- per annum is justified and recommend that in future a fixed motor car allowance of Rs.100/- a month may be attached to the post of Commissioner of Police, Civil and
